Notes for High School (Grades 10, 11, and 12):

- You can pay tuition in either 9 (September to May) or 10 (August to May) monthly payments. Every family must choose one option when enrolling/re-enrolling so we can adjust payment forms accordingly.
- Mandatory payments to UNAM:** The incorporation fee is 4% of the yearly tuition depending on the grade. Additionally, international students must pay, for their UNAM registration, the equivalent of USD85 in Mexican pesos using the exchange rate published in the Official Federal Gazette on the day of payment. You will pay all these fees alongside September tuition. If you need a revalidation of studies from the school, you can only request it until December, and it has a cost of MXN1,000 plus government fees.
- International Baccalaureate:** The 10th grade fee corresponds to the Personal Project registration, and the 12th grade fee corresponds to the IB registration, both of which you pay during enrollment/re-enrollment. The 12th grade exams will be charged alongside October and November tuition.
